on

September 27 – September 30, 2005

Tuesday, September 27

- | | |
|---------------|--|
| 08:00 – 17:30 | ASB Ion Channel Modelling Workshop |
| 18:00 – 19:00 | Plenary Lecture
Francisco Bezanilla
“Voltage-Gating in Ion Channels” |
| 19:00 – 21:00 | Mixer |

Wednesday, September 28

- | | |
|----------------|---|
| 09:00 – 11:00 | Symposium on “Ion Channel Gating”
Chair: Shin-Ho Chung |
| | Symposium on “Functional Roles of Potassium Channels in the Vasculature”
Chair: Michael Hill |
| 11:00 -- 11:30 | Morning Tea |
| 11:30 – 13:00 | Free Communications (One) |
| 13:00 – 14:00 | Lunch |
| 14:00 – 15:00 | Plenary Lecture
Nigel Unwin
“Structure and Gating Mechanisms of the Nicotinic Acetylcholine Receptor” |

15:00 – 16:30	Free Communications (Two)
16:30 – 17:45	Poster Session (One)
17:45 – 18:45	AuPS Invited Lecture Angela Dulhunty “Excitation-Contraction Coupling from 1969 to 2005”
18:45 – 20:00	Student Event

Thursday, September 29

08:45 – 10:45	Symposium on “Membrane Protein Structure and Interactions” Chair: Frances Separovic Symposium on “Physiology Teaching in the 21 st Century – Trends, Challenges and Innovations” Chairs: Kay Colthorpe, Hardy Ernst
10:45 – 11:15	Morning Tea
11:15 – 13:15	Symposium on “Membrane Associated Proteins that Regulate Muscle Contraction” Chair: Angela Dulhunty Symposium on “Regulation of Membrane Transport” Chair: David Adams
13:15 – 14:15	Lunch
14:15 – 15:15	Plenary Lecture D. Peter Tieleman “Pores, Channels and Transporters: Computational Studies of Membrane Transport”
15:15 – 16:45	Free Communications (Three)
16:45 – 18:00	Poster Session (Two)
19:00 - late	Conference Dinner Australian National Museum

Friday, September 30
