

## Accommodation guide to Canberra city region 2008.

Alas, there is no longer short term on ANU Campus college accommodation, I have looked. So I have put together a list of URL's to make it easier top find accommodation hopefully within reasonable walking distance of the ANU Campus. The URL's I use are typically the discount online booking services. I have found them easy to deal with, secure with online payments and easy to navigate in terms of finding ranges of choice for accommodation.

I usually go for Wotif

<http://www.wotif.com/hotels/australia-canberra-hotels.html>

or Totaltravel

<http://www.totaltravel.com.au/travel/nsw/canberraact/canberra-city/directory/accommodation>

or Neditnow

[http://www.neditnow.com.au/canberra\\_accommodation.html](http://www.neditnow.com.au/canberra_accommodation.html)

I have just included the Totaltravel site links, but check with the others as they may have swung better online deals.

The Canberra City YHA Backpackers Hotel.

The YHA Backpackers is huge. It is clean and there is lots of social life. Typically \$~30 to ~90 per night, the higher prices are for rooms not just per person.

## The Crowne Plaza Hotel

<http://www.totaltravel.com.au/travel/nsw/canberraact/canberraerracity/accommodation/hotels/crowne-plaza-canberra>

The Crowne Plaza is located next to the Canberra Casino, so has something happening all the time. It is at the opposite end of the city region from the ANU.

The Waldorf Apartments are across the road from the YHA. The cost is per room.

## Rydges Lakeside Hotel

<http://www.totaltravel.com.au/travel/nsw/canberraact/canberraerracity/accommodation/hotels/rydges-lakeside-canberra>

Near the lake, good views and for walking. A fair amount of construction is occurring in the locale, so traffic can be interesting. The Lakeside was the location for the 2005 ASB/AuPS conference.

## The Marquee Hotel
